

Why massage?

2/3 of the German population suffer from the country's number one disorder - back pain! The CUMULUS massage relaxation recliner helps to restore normal performance by loosening muscles, relieving tension and promoting circulation by using its Shiatsu massage technique.

Massage for body and soul!

Whether tensed shoulders, back pain, circulation problems or stress - massage can help! Massaging supports the necessary process of mental and physical relaxation, ensuring optimum recovery and recuperation for the whole body.

Summary:

Anyone aiming to stay active and retain their vitality to a ripe age cannot afford to dispense with regular massage!
