- ⚡ Variants are available electrically and optionally with a rechargeable battery.
- 🔧 Variants with a corresponding note are delivered disassembled for weight and technical reasons (assembly instructions are enclosed).

ALCATRAZ 1372 SPEKTRA

DIMENSIONS

A wall clearance of 3cm is required for the electric end recliners.
The dimensions stated on the price pages refer to the low seat height. The height and total height change accordingly.
All dimensions are approximate and may vary slightly.
All dimensions in centimetres (cm).
A wall clearance of 5cm is required to operate the Wallfree function.
With the supplementary equipment heart balance, the total depth is reduced by approx. 8cm due to the fittings.

SUPPLEMENTARY EQUIPMENT

Z77 heart balance

STORAGE BATTERY 0933

All electrical variants only available with external storage battery and charging station (1 battery per var.). The simple handling with a plug connection and the small and easy-to-use charging station speak for themselves. Available in silver and anthracite. Recommendation: battery cover in matching cover.

WALLFREE FUNCTION, HEART BALANCE

The Wallfree function is available either manually or electrically and allows convenient adjustment of the backrest and leg rest. In combination with the optional heart balance function available for the electric versions, the leg rest can be raised to the soothing heart balance position.
