ATTENTION

All electrical versions are equipped with automatic switch-off

Headrest can be folded out and the angle of inclination adjusted

✎ Variants are available electrically and optionally with a rechargeable battery.

✎ Variants with a corresponding note are delivered disassembled for weight and technical reasons (assembly instructions are enclosed).

DIMENSIONS

A wall clearance of 47cm is required to operate the relax function.

All dimensions are approximate and may vary slightly.

All dimensions in centimetres (cm).

The width specification for elements with side part is based on a slightly angled position of the side parts, as only in this position a dimensionally accurate and visually harmonious appearance can be guaranteed.
